Website: [onlinelibrary.wiley.com/journal/10.1111/\(ISSN\)1470-9856](http://onlinelibrary.wiley.com/journal/10.1111/(ISSN)1470-9856)

Publisher: Wiley

Is the journal open access? No

Frequency of publication: 4 times per year

Articles published per year: 24

Languages of submission: English, Spanish, and Portuguese

Translation policy: Author responsible for own translation (limited funds available for accepted articles deemed to be exceptional)

Peer review process: Articles sent out to peer review (double-blind and at least 3 reviews are sought)

Approximate acceptance rate: 40%

Disciplines covered: All academic disciplines within the Social Sciences and Humanities

Quantitative-qualitative balance: Predominantly qualitative

Editorial philosophy: Mission Statement: The *Bulletin of Latin American Research* publishes original research of current interest on Latin America, the Caribbean, inter-American relations and the Latin American Diaspora from all academic disciplines within the social sciences, history and cultural studies. *BLAR* publishes individual research articles, or Special Issues using a Guest Editor. In addition to research articles, the journal also includes a Debates section, which carries 'state-of-the-art' reviews of work on particular topics by leading scholars in the field. The *Bulletin* also publishes a substantial section of book reviews, aiming to cover publications in English, Spanish and Portuguese, both recent works and classics of the past revisited

Use of photographs or graphics: Yes

Are proposals for special guest-edited thematic issues considered? Yes

Other special features of the journal: Extensive book review section; BLAR book series

Social media presence: Facebook

Planned future developments: The book series will be replaced with a 5th issue of the journal in 2017.
