The Critical Race, Indigeneity, and Relationality series, edited by Antonio T. Tiongson Jr., Danika Medak-Saltzman, and Iyko Day, showcases comparative studies of race, ethnicity, and indigeneity in projects that take a self-reflexive approach in their deployment of relational frameworks and analytics, and seeks projects that are grounded in, and build upon, the theoretical insights and methodologies of women of color feminism and queer of color critique as they engage with Native theorizing, Indigeneity, and settler colonial paradigms.
